**Ermina had been designed  
in March 2016 along with  
my illustrated Indian diary.  
Her shapes are loosely based  
on a colonial style lettering.**

# Size: *tricksy*.

In the realm of decorative typefaces, only a few are usable for longer texts, but Ermina's swallow-tail serifs disappear in small sizes and her open drawing is perfectly legible. The considerably rich palette of weights and OpenType features form quite a versatile family for exhibitions, fairy tales, theatre posters, invitations and magazines.
